## *Our Mission Statement*

*"Visual artists and supporters encouraging and promoting the arts in the community"*

## *Notes from your President*

The Juried Show is over and summer is soon upon us. Thanks to all of our members who made this show a great success.

We have two events this summer and will need help from our members to make both of them successful. The first one is our Studio Tour in July. Please give us a few hours of your time during the Lavender Festival to help out. We will need people to sit at the Studios. This is a great up close and personal chance to visit with one of your fellow artists. Don't forget to check out their web site at: [www.sequimstudiotour.org](http://www.sequimstudiotour.org) Cynthia Thomas will have sign up sheets at the June Pot Luck.

August is the Art Barn at the Clallam County Fair. Are you getting your artwork ready for this? We will also need members to work at the Art Barn. Sandra Cutsinger is the supervisor and would be glad to help you find just the right job. We need to do everything from cleaning and set up of the building to break down of the barn. I like to help with intake and to sit during the fair. I especially enjoy listening to the comments from people who normally do not visit galleries and art shows enjoying the work of our local artists.

I hope to see everyone at our June Pot Luck. Please remember to bring your extra art books and supplies for our sale.

**Reminder:** We welcome your announcements but due to time constraints please remember that announcements must be submitted for the meetings when you sign in and will be announced by the president at the end of the meeting. Also we can no longer pass around sign up sheets for non Sequim Arts events. This has been causing a lot of confusion. We welcome those sheets at our information table and will gladly provide a place for you to sit and personally explain your event. Please come early. 9:30 am to 10 am are set aside for networking and visiting.
